

## PROGRAM

5 PM - WORKSHOP

### IODA event

On Monday 11th December 2023, we welcome you all in Leuven!

#### Workshop: Evidence-based ACL rehabilitation

During this workshop we will share the latest ACL rehabilitation guidelines, and show you how we bring these guidelines into practice in UZ Leuven.

The workshop will be mainly practical. It is open for all disciplines, but especially physiotherapists will go home with practical tips and tricks.

6.30 PM - MEETING

#### Stakeholders Meeting

During this meeting, all study teams have the opportunity to meet each other and learn from the experiences of others.

We will start the meeting with a **study update**. Afterwards we will have a group discussion about recruitment challenges.

8.00 PM - DINNER

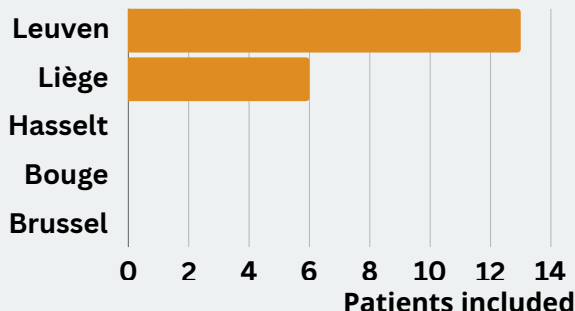

#### Dinner

We will end the evening with a pleasant dinner

**You will receive a separate email to confirm your attendance**

## Short updates

- We would like to invite **extra hospitals to participate in the IODA trial**. If you're aware of any colleagues who could be interested, please don't hesitate to inform them about the IODA trial. Your referrals are greatly appreciated!
- We **welcome UZ Brussel** as 5th participating hospital!
- We are in the process of creating an **IODA website**, which will serve as a comprehensive resource. It won't just provide patients with valuable study information, but it will also serve as a centralized platform for study-related documents

## Recruitment numbers

- 19 patients are included in the IODA full trial
- + 29 patients that are already included in the IODA pilot trial

We are aware that the start-up is not easy. Do not hesitate to contact us, in case we can support you!
